Alberta's Northern WPACs invite you to:

WATER MANAGEMENT in Alberta's Boreal 2025

FEBRUARY 25&26, 2025

at the Pomeroy Hotel & Conference Centre, Grande Prairie, AB

The “state of” Boreal watersheds

A follow up to a successful 2023 conference, this event brings together WPACs, decision makers, researchers and practitioners to network, exchange knowledge, and discuss how we can improve watershed assessment and reporting across the boreal. Presentation themes include: water quality and data, water use and efficiency, boreal ecosystems and biodiversity.

Participants can look forward to:

- Engaging presentations and discussion
- Networking opportunities
- Daily door prize draws
- Coffee, snacks and meals provided
- Informative displays & watershed resources

Monday - Pre Conference Social 7:00-9:00pm

Join us for an informal gathering, libations and appetizers at the Skylark Lounge in the Pomeroy Hotel

Tuesday - Cocktails, Banquet Dinner & Keynote Address

After Tuesday's program, cocktails start at 5:00pm. Following dinner we will hear an engaging, thought provoking keynote address from John Pattison-Williams

Extra banquet tickets available for \$50 at registration if you would like to bring a guest.

REGISTRATION FEE: \$225
